

**LED LIGHT NEW SPECIFICATION
14 WATT T8 LED - 36"**

**APPLICATIONS: INDOOR, OUTDOOR, PARKING GARAGE, OFFICE
ANYWHERE YOUR CURRENT T8 LIGHTS ARE**

Light Color:	Warm, Natural, Day - White.
LED Quantity:	208 super bright 3528 SMD's
Operating Voltage	100 - 277 VAC
Normal Operating Temp:	< 100 degrees
Features:	Aluminum Alloy heat-sink
Lamp Base	Standard T8 Bi-Pin
IP Rating:	54
Light Efficiency:	>95 lm/w
Total Power Consumption:	14 Watts
Power Factor:	>93%
Luminous Flux:	1,300 LM
CRI:	>80
LED Beam Angle:	120°
Lifetime of Lamp:	50,000 hours +
Typical Mounting Height:	Up to 10 feet
Warranty:	2 years from date of sale
Benefits:	No RF interference, ballast noise, UV, IR radiation, glass, mercury
Weight & Dimensions:	8 ounces / 1" X 36"

INSTALLATION:

For retrofit, bypass incoming fixture voltage - wires (100 - 277 VOLTS A/C) directly to the tombstone bases, hot on one side, neutral on the other. This should be done by qualified electrical professional. No modifications allowed to bulbs as this could cause damage to heat-sink, loosen electronics, and void warranty. Existing fixture socket may need to be adjusted. Do not look directly at light at close range - very bright. All Bravolight products are certified CE & RoHS.
