

6W CANDELABRA - DIMMABLE

LED quantity:	3 X 2W CREE XR-E
Light Color:	Warm – Day – Cool White
Color Temperature:	2700 / 4100 / 6500 K
Bases Available:	E12 / E27
Operating Voltage A/C:	100 - 240
Frequency:	50HZ – 60HZ
Operating Temperature:	-30°F to + 160°F
CRI:	>80
Power Used:	6 Watts
Power Efficiency:	>0.85
Lumens:	270 / 300 / 330
Electrical Standard:	RoHS, CE
Beam Angle of Each LED:	130°
Lifetime of Lamp:	50,000 hours +
IP:	20
Dimensions:	1.75" X5.75"
Weight:	7 – 8.5 ounces
Features:	Dimmable / 360-degree lens cover / aluminum alloy and PV lens cover

Installation:

For retrofit:

Directly replaces existing lights. No modifications allowed to bulbs as this could cause damage to heat-sink, loosen electronics, and void warranty.

Do not look directly at light at close range – very bright. All Bravolight products are certified CE & RoHS.
